EASTWIND CLAMBAKE COMPANY

can help you create a lasting memory

A Cape Cod Clambake is the perfect way to celebrate your next family gathering, wedding, business event or any other occasion. EASTWIND CLAMBAKE COMPANY specializes in planning and preparing clambakes in the comfort of your own home or yard or any other site for groups of 20 people or more. We gladly travel to any location from Cape Cod to the South Shore and beyond.

We oversee every detail of your clambake from menu selection to preparation and service. We can also help you arrange for a location, tent and table rentals or certified bartenders if you need them. Our clambakes are cooked on site using only the freshest local seafood purchased from local fishermen and are served to you buffet style. We provide heavy duty plastic and paper products, wet naps, lobster bibs, utensils, melted butter and salt and pepper along with all the fixings. We bring all our own cooking supplies and trash cans. You send out the invitations and we'll take care of the rest.

EASTWIND CLAMBAKE COMPANY would love to help you plan your upcoming Clambake. Let us do the work, so you can RELAX and ENJOY your party!
